Chairman's Message

Dear Pupil Teachers,

Welcome to B.C.M. College of Education!

Rapid technological advances and easy access to knowledge makes this an exciting era to be a student, yet there is so much more to education than the mere act of gaining knowledge. Learning ought to hone the ability to apply concepts that helps in solving real life problems. This is a century for thoughtful, well-rounded and creative individuals and developing them calls for enthusiastic, self-motivated and professional teachers.

B.C.M. College of Education, Ludhiana offers a conducive and techno-savvy environment for training teachers. The college not only develops professional competencies in pupil teachers but also grooms them as versatile personalities ready to play their role as mentors, life coaches and transformation catalysts.

The emphasis at B.C.M. College of Education is to meet the versatile requirements of new-age teaching, in synchrony with the 2020 National Education Policy. Pupil teachers entering our gates would thus be expected to excel academically, form adaptable personalities, develop excellent communication skills, inculcate strong leadership qualities and become conscious citizens.

I welcome you to a journey of learning, fun and discovery and am confident that your stay at B.C.M. College of Education will enrich you intellectually and professionally.

Sunil Munjal

Chairman

Bahadur Chand Munjal Foundation

President's Message

Dear Students

I welcome you all to B.C.M. College of Education, a distinguished institution of higher learning. The nurturing and caring environment of the college will help you blossom into empowered and sensitive human beings. Education is not just a process of giving knowledge for a future job, but a lifelong process which is both purposeful and empowering. Your training will provide you with professional competencies and create an understanding of moral and ethical values to lead a meaningful life. It drives away ignorance and brings self-awakening. It strengthens society and enables an individual to make a significant contribution as a teacher.

We at B.C.M. college of Education prepare the future teachers with passion and a belief that a teacher affects eternity. We can never tell where his influence stops. We care for the individual development of every pupil-teacher and provide an atmosphere for their multifaceted development by encouraging them to channelize their potential in pursuit of excellence. We accord prime importance to the behavioural discipline, moral integrity and cognitive development of students. I wish the best of fortune, peace and prosperity to all the new entrants of B.C.M. College.

Have a great time at B.C.M. College of Education.

Secretary's Message

Dear Students

I warmly welcome you to B.C.M. College of Education!

We are delighted that you have selected the B.C.M. College of Education for your professional development. We are a community of students and faculty members passionately devoted to transforming our country by nurturing future leaders. As an acclaimed institution, we maintain the highest academic standards blended with a challenging and stimulating environment. The College students have produced stellar results in the University examinations since inception. The alumni of the College are placed in the best schools and provide you with an excellent network to pursue your career ambition. We believe the best Teacher Education Programme focuses not only on the mastery of syllabi but also on the development of life skills.

The students work closely with the faculty to set their learning agenda in a symbiotic relationship. The College provides multiple avenues of individual and group learning. The emphasis is on both conceptual and experiential learning. The new National Education Policy 2020 envisions transforming the education system consistently to cater to the demands of twenty first century. A new class of school teachers is essential to achieve this objective, as a teacher like a potter, delicately shapes impressionable minds of students and moulds them into competent and enlightened human beings.

The College provides an excellent platform to nurture the talent of its students and equip them with effective teaching skills. We also lay a lot of emphasis on co-curricular activities and social service for the development of the latent talent of our students. The College has an incredible record of winning accolades in co-curricular activities in State and University festivals and competitions.

The College lays great emphasis on value education inspired by our rich philosophical heritage. The value oriented teachers equipped with technological skills and cutting edge knowledge can make a significant difference to the society

Wishing you a great time at B.C.M. College of Education.

Dr. Prem Kumar

Secretary, B.C.M. College Managing Committee

From the Principal's Desk

Dear Students,

It gives me immense pleasure to welcome future teachers who aspire to join the noble profession. Teachers, I believe are the most valuable asset of a nation because their professional efforts affect the nation. They are redeemers of a void filled society & help to build caring & thoughtful individuals. Therefore, their education, training and recruitment are of top priority for the country.

B.C.M. College stands as a beacon and is committed to create a brand of teachers with excellent knowledge and develop sense of social responsibility. We provide teacher education in both qualitative & quantitative manner. Everything that makes a good institute is a highly qualified faculty, rich library, placement cell, technology integrated pedagogy, liberty to think & express- we have all in our institute. We emphasize on instilling confidence & critical thinking that help our pupil teachers to act & react in real life situations. Our programmes are well designed to leverage the challenges posed by technology, changing values & attitudes. I firmly believe that our college is more than just a place to learn. It will give you chance to groom yourself by equipping you with professional skills to achieve excellence. We assure you to provide you a platform to nurture talents and skills through seminars, conferences, streamlined internship programme & plethora of co-curricular activities.

Be sure, put your feet in right place & then stand firm.

The performance of our students at college and university level competitions has time and again proved that 'BCM'ites are second to none. So, I invite all of you to be a part of B.C.M family to strive toward excellence.

INTRODUCTION

B.C.M. stands for Sh. Bahadur Chand Munjal (1886-1960) in whose sacred memory the College was established in 1998 by BCM Foundation. The College was a dream of Mahatma Satyanand Ji Munjal with the vision of Achieving Inclusive Education and Transforming Society. The college is offering B.Ed. course (150 seats), M.Ed. course (50 seats) and B.Ed. Special Education-Learning Disability course (30 seats) and is recognized by UGC under section 2(f) & 12(B) of University Grant Commission Act 1956, National Council for Teacher Education, Panjab University, Chandigarh and RCI, New Delhi. The college is accredited by NAAC with grade 'A'. The college has been thrice adorned with the prestigious "National Award for Innovative Practices and Experiments in Education for School and Teacher Education Institutions" by NCERT, Delhi.

Apart from B.C.M. College of Education, BCM Foundation is running five schools in different parts of the city to serve the purpose of education in society.

- B.C.M. Sr. Sec. School, Sector 32-A, Chandigarh Road, Ludhiana.
- B.C.M. Sr. Sec. School, Focal Point, Ludhiana.
- B.C.M. Sr. Sec. School, Basant Avenue, Dugri, Ludhiana.
- B.C.M. Sr. Sec. School, Basant City, Pakhowal Road, Ludhiana.
- B.C.M. World Pre - School, Basant Vihar, Urban Estate, Dugri, Ludhiana

HISTORY

B.C.M. is the first education college of Punjab under self finance scheme. Prior to the establishment of this College, Ludhiana City had only one B.Ed. College for Women only and that too had 70% seats reserved for rural women.

B.C.M. College began with an initial intake of 60 seats to produce efficient and dedicated teachers under the guidance of renowned and seasoned educationist Dr. S.K. Nanda, Founder Principal of the College. The number of seats rose to 120 in the very next year, to 180 in 2003 and the number further went upto 280 in 2008. The College got permanent affiliation to Panjab University, Chandigarh in 2004. The M.Ed., course was started from session 2007-08. From the session 2014-15, the college started B.Ed. Special Education course (Learning Disability) with 25 seats approved by Rehabilitation Council of India vide letter No. 17-627 / B.Ed. (LD) / 13 / RCI. This phenomenal rise clearly indicates the commitment of management and faculty who provide a congenial environment of belongingness and democratic work culture.

As per NCTE norms 2014 & RCI, the college is offering the following courses since 2015 :

- M.Ed. (1st & 2nd Year) - 50 seats (1 Unit) each
- B.Ed. (1st & 2nd Year) - 150 seats (3 Units) each
- B.Ed. Special Education LD (1st & 2nd Year) - 30 seats (1 Unit) each

THE COLLEGE HAS COLLABORATIVE STUDY CENTRES

- Indra Gandhi National Open University (IGNOU) Study Centre for B.Ed., M.A. (Education, Adult Education), PGDET, PGDSLM, PGDHE, PGDAE, PGCAE, CPVE & CIG
- Panjab University School of Open Learning (USOL) Study Centre for B.Ed.

INFRASTRUCTURE

The college is ideally located in an open and pollution-free environment in Sector 32-A, Urban Estate, Chandigarh Road, Ludhiana. The college has an excellent well equipped building, which has been tastefully designed and bears an architectural grandeur. Students enjoy Wi-Fi enabled, eco friendly environment with lush green lawns and playgrounds.

Class Rooms

The college provides latest technology and internet connectivity to students that helps them to keep pace with the modern IT world. Smart class rooms have been added to the infrastructure to make Teaching Learning Process more effective and interesting. Emphasizing on the interactive mode of teaching, the faculty makes use of PowerPoint and Multimedia presentations for better understanding and greater retention of subject matter. Videos and documentary movies are also used by teachers as teaching tools.

Science Laboratory

The college has a well equipped Science Laboratory with an objective to implement the maxim of Learning by Doing and to instil scientific attitude among pupil teachers. It is a unique place in the college where students get an opportunity to develop a broad array of higher order thinking skills vital for their success in their future endeavours.

Social Sciences Room

To make the Social Sciences more understandable, the college has a well maintained Social Science room working in collaboration with the department of Commerce and Economics. Social Science room acts as an activity room for pupil teachers as it combines academic experience with worldly knowledge making learning effective, lively and fun.

Library

The college has a rich, well stocked and fully computerized library. It has more than 14,450 reference, general and textbooks. Apart from these, we regularly subscribe 15 Newspapers, 32 Journals and 23 Magazines. Book bank facility is available for meritorious and economically backward students. The library provides physical and digital access of study material to students. It is the place that fuels their imagination and inspires them to explore new horizons of knowledge.

Psychology Laboratory

Educational psychology being a compulsory part of the B.Ed. curriculum, Psychology Laboratory plays a vital role in a Teacher Training Institution. It caters to the need of Pupil teachers as students learn how to use a variety of Psychological tests & techniques. We have a rich stock of 144 different verbal as well as non verbal tests in this laboratory.

Mathematics Laboratory

To develop effective Pedagogical skills in mathematical teaching, the selection of instructional resources is of utmost importance. For that, we have a Maths lab which is full of maths learning materials viz. games, puzzles and other teaching learning materials like still and working models demonstrating varied mathematical concepts. Students are motivated to use these resources to construct new knowledge and design learning activities. Maths lab helps students to discover, learn and develop an interest in maths. Mathematical models and games have made Mathematics lab one of the most lively corners of the college.

Home Science Laboratory

Home science is an interdisciplinary field of study that deals with health, child care, textile and garment designing. College has a well equipped Home Science Lab with all the basic gadgets required to conduct practicals related to the subject curriculum.

ICT Lab

It has been rightly said '**Go for computers - Go for the latest technology**'. Keeping this in mind, an air conditioned computer lab with High Band internet speed has been set up in the college to facilitate the students and the faculty. Since ICT is part of B.Ed. curriculum, students attend their practical classes in the lab. This makes the Computer Lab a centre of activity. Our round the clock Wi-Fi facility helps the students and faculty to surf the internet and gather information.

Education Technology Lab

ET Lab aims to improve the quality of education and enhance the learning process. We cannot keep the system of education isolated from the technological advancements. To help evolve teaching learning process, we have a well stocked ET lab having all the latest technologically advanced gadgets - Smart panel, OHPs, Soft copy of Teaching – Learning materials in the form of CDs. Which are utilised to facilitate better performance of educational systems and develop right perspective and attitude towards emerging technologies.

Art & Craft Room

Art and Craft room provides the students a platform for creative self expression. It is a place where pupil teachers learn to prepare models and other teaching learning materials. Students are motivated to prepare teaching aids from waste material like news paper, cardboard etc. Simple Expressional Competencies and craft subjects like Gardening, Candle Making and Interior Decoration being an integral part of B.Ed. curriculum makes it necessary to have an Art and Craft room in college.

Conference Hall

Seminars and workshops are a regular feature of the college. For this purpose, we have an air conditioned conference hall with all the facilities viz. LCD for the presentation of multimedia presentations and a seating capacity of 300 students.

Multipurpose Auditorium

The college has a centrally air conditioned Auditorium with a seating capacity of more than 500 students. It has been built with the latest state of art architectural design and is equipped with most modern facilities like high-tech audio-visual equipment and super speciality sound and light system. Undoubtedly, it is the pride of the college and acts as a platform for students to display their talent on the co-curricular front.

Playgrounds

Playground provides the best learning experience to students with an aim to foster essential life skills, habits and attitude which would help them successfully navigate into adulthood. The college provides facilities and a congenial environment to all students to participate in various games like Basketball, Volleyball, Table Tennis, Badminton, Cricket and Hockey.

Gymnasium Hall

In sync with our motive of harmonious development of the students, we have a well equipped gymnasium hall in the college which helps the student to develop their strength and stamina. Here the students are exposed to many different types of exercises to keep them fit and to enhance their endurance power.
