DID YOU KNOW?

B.C.M. stands for Sh. Bahadur Chand Munjal (1886-1960) in whose sacred memory, the College was established in 1998 by BCM Foundation.

WELCOME

BCM College has been producing successful teachers since 1998, combining a prestigious heritage with modern and innovative facilities. The college has changed dramatically over the last 25 years, but the commitment to quality education and a rewarding experience remains.

Chairman's Message

Dear Aspiring Teachers

Welcome to the BCM College of Education and to a brave new world!

It has been more than a year since education, teaching and learning returned to the physical format.

Several teaching tasks that were previously done manually are now digitalised and this has revolutionised the teaching experience. Aspects of learning that earlier occurred only in classrooms are now "pre-cooked" digitally through laptops, YouTube, Google and WhatsApp. Within the classrooms, pedagogy is now also being increasingly guided by the New Education Policy, which emphasises experiential and activity-based learning.

The professional world that you will enter after your B.Ed. is therefore likely to be more exciting with innovation and experimentation. So, I do hope that you make full use of the facilities available here to develop diverse technical skills and become imaginative, self-motivated to widen your learning horizons.

This college doesn't just seek to produce rank holders; it also aims to develop versatile personalities and genuine agents of change when the time comes for them to take up teaching assignments. So, learn in a way that you can impart life lessons and practical skills to your students in the spirit of our Founder Chairman, Dr. Brijmohan Lall Munjal, whose birth centenary we are celebrating this year: he never finished high school, yet was truly lettered in the College of Life.

My warmest wishes are with each of you as you commence this special journey to define your lives and careers.

All the very best!

Sunil Kant Munjal
Chairman
BCM Foundation

President's Message

A warm welcome to the BCM College of Education!

It brings me immense pleasure to extend this message and welcome you all as valued members of the BCM Family. In the realm of professional education, we understand that learning is a dynamic and ever-evolving process. To thrive in today's competitive world of Teacher Education, it is crucial to foster curiosity, embrace constant learning and encourage innovation to gain fresh insights.

At our College, we firmly believe in providing holistic education to our students. This leads to academic excellence, winning laurels in sports and nurturing life skills. We firmly believe that education is the most powerful weapon we can use to change the world, and we are committed to make a positive impact.

BCM is dedicated to expanding opportunities and striving for excellence. We stand at the forefront of Teacher Education, gathering talented individuals from diverse backgrounds to push the boundaries of knowledge and unlock human potential. Here, our students are not only encouraged to pursue their personal goals but also to envision ways to contribute to the betterment of our imperfect world.

We highly value innovative approaches as essential qualities of a genuine teacher. Our aim is to develop quality educators who can meet the demands of our rapidly evolving education system. We are determined to provide our students with a deeply transformative experience—intellectually, socially, and personally thereby preparing them to become responsible citizens and visionary leaders.

Once again, welcome to the College of Education at BCM. Let us work hand in hand to create a brighter and better future.

With Best Wishes

BCM College Managing Committee

Secretary's Message

A warm welcome to the vibrant world of BCM College of Education!

I am delighted to address each one of you as we embark on a journey of knowledge, growth, and transformation together. BCM College stands tall as a beacon of excellence in the realm of Teacher Education, and I couldn't be prouder of our collective achievements.

At BCM, we believe that education is not just a means to acquire knowledge, but a powerful tool that shapes our lives and empowers us to create a better world. As an esteemed institution, our commitment is to ensure that you receive the finest education and holistic development that will enable you to thrive in the ever-evolving professional landscape.

Our college is more than just a place of learning; it is a nurturing community that fosters creativity, critical thinking, and a spirit of innovation. We strive to provide a student-centric environment where learning goes beyond the confines of the classroom. Through innovative teaching methodologies, cutting-edge resources and personalized support, we aim to nurture your talents and help you discover your true potential.

Our college prides itself not only on academic excellence but also on celebrating achievements in sports and co-curricular activities. Together, let's create an environment where each one of you can flourish and make a positive impact on the world.

Welcome to BCM College of Education, where knowledge meets inspiration and dreams find wings to soar!

With Best Wishes

Principal's Message

Dear Students

The journey at BCM is one of introspection and discovery which constantly challenges students to innovate and improve themselves, continuously learn to adapt, engage and become problem solvers in their own right.

Futuristic and progressive vision is at the core of B.C.M College. The impelling and robust beat of this iconic institution is orchestrated to keep moving beyond the best to foster globally aware teachers of the 21st century with professional skills, innovation, creativity and research work to facilitate progressive teachers of tomorrow. We empower our students with all the programmes which include the most contemporary areas of professional knowledge, innovation, training, project-based learning and internship for the students. Programmes in Talent Development, Creative Thinking and International training are being introduced in addition to academic and intellectual growth as we try to make our Pupil teachers more responsible, self-reliant and balanced individuals, who are ready to accept the changes and challenges coming in their way with a smile on their face. Further, the availability of world-class physical and digital infrastructure supplemented by renowned faculty is one of the greatest strengths of the College. Every year, our students find placement opportunities in various schools.

Our unwavering focus is to transform the individual holistically i.e. to broaden their horizons of thought, to sharpen their focus and to develop their personalities into globally responsible citizens who are conscientious of their community, society and the nation.

A warm welcome to the new batch of students for their memorable journey at BCM and my best wishes for their future endeavors.

HISTORY

B.C.M. is the first education college of Punjab under self finance scheme. Prior to the establishment of this College, Ludhiana City had only one B.Ed. College for Women only and that too had 70% seats reserved for rural women.

B.C.M. College began with an initial intake of 60 seats to produce efficient and dedicated teachers under the guidance of renowned and seasoned educationist Dr. S.K. Nanda, Founder Principal of the College. The number of seats rose to 120 in the very next year, to 180 in 2003 and the number further went upto 280 in 2008. The College got permanent affiliation to Panjab University, Chandigarh in 2004. The M.Ed. course was started from session 2007-08. This phenomenal rise clearly indicates the commitment of management and faculty who provide a congenial environment of belongingness and democratic work culture.

As per NCTE norms 2014, the college is offering the following courses since 2015-

- M.Ed. (1st & 2nd Year) - 50 seats (1 Unit) each
- B.Ed. (1st & 2nd Year) - 150 seats (3 Units) each
- B.Ed. Special Education LD (1st & 2nd Year) -30 seats (1 Unit) each

I am a Registered Early Childhood Educator and an Ontario Certified Teacher. Doing my B.Ed from B.C.M College of Education was one of best decisions of my life as it instilled me the confidence that I needed to work as a professional in the field of teaching.

BCM College not only works on academics but also fosters soft skills among the student teachers thereby smoothening their entry in the job market.

I can not thank enough all my teachers especially Respected Principal Ma'am for providing me the best experiences and for always motivating me.

It was their encouragement that I completed my B.Ed with distinction and right now I am working as a Teacher in Canada. I owe my success to my amazing Professors at B.C.M. College

I was a student of the first batch of 2-year B.Ed. course (2015-17) when the entire curriculum had undergone a major change. Hats off to the competent faculty of the college who worked consistently hard to prepare the students to uphold the legacy of bringing excellent results and be placed in renowned institutions.

Be it academics, teaching- related competitions, co-curricular activities, youth camps or youth festival, BCM college team, it's proficient teachers under the guidance of visionary Principal, has always outshined with it's creativity and zeal.

I am indeed grateful to the institution for providing me numerous opportunities to develop personally and professionally and begin my teaching journey in BCM School, Sec-32.
